Dear friends,

In the last week, the world has been dramatically impacted by the death of Charlie Kirk. Many are taking a defiant stand and becoming polarized on one side of the issue or the other. But there is a bigger picture that God's people should see in this. Don't be caught up in the false revival of religious zeal without spiritual discernment. On September 21, the world will watch his funeral, and on that very date, God has shown from heaven that Babylon will begin to fall.

Be vigilant, be pure in your fervor, and above all, be among the prepared, wise virgins, whom the Lord knows, and receives on time into the wedding hall.

Dear friends,

As the saying goes, “Never let a good crisis go to waste.”

In the case of Charlie Kirk’s death, multiple crises are forcing the USA to a turning point, as the organization he founded is fittingly named. His memorial service was held on a very prophetic date: September 21, 2025, throughout the entire course of the partial solar eclipse. Nearly every speaker repeated that the event was the beginning of a religious revival. While we do not want to presume that any individual’s experience with Christ is not genuine, we must carefully consider the character of this national revival before following the Seventh-day Adventist speaker Ben Carson’s advice to “get on board with it”.

Politically, the left and right have never been more polarized, and even radicalized, so that violence is a constant threat from both sides. Lest you put too much faith in the narrative that only one side is violent, consider the many armed Americans who are now making calls to fight. Without the mention of weapons, fighting was also a theme at the memorial.

Charlie Kirk’s willingness to speak his mind about his beliefs—including his oft-repeated comments about the benefits of the seventh-day Sabbath for one’s wellbeing—has been influential. Many religious leaders, from the pope to Seventh-day Adventists have since capitalized on the present interest and underscored the need for rest—though more often merely as “one day in seven”.

By the circumstances of his death, Charlie Kirk has been so highly exalted, that Trump is being asked to pass the “Charlie Kirk Act” that would restrict freedom of speech—now put forward not by the left, but by the right, yet equally problematic. Already people have felt harsh consequences for speaking thoughts contrary to the popular opinion regarding Charlie Kirk, and the Vice President, JD Vance, supports denouncing those who do so.

As Erika Kirk so aptly said of “evildoers”, “They should all know this: if you thought that my husband’s mission was powerful before, you have no idea. You have no idea what you just have unleashed across this entire country and this world.”

Do you understand what has been unleashed? Can you see through the fog of deception and the emotion that surrounds every aspect of this situation? Can you discern between the work of the Lord and the counterfeit work of the enemy of souls? The distinction can be surprisingly subtle! What has happened is nothing less than a great and spiritually destructive earthquake!

One may determine whether a revival is from God or not, based on whether it is characterized by repentance and sorrow for sin at its core. Is that what characterizes the “revival” that is promoted by national leaders from the Charlie Kirk memorial? Or is it a deepening resolve to “fight” without repentance for Operation Warp Speed or the national acceptance of LGBT marriage?

Shall we add to these sins the decisive mark on one’s soul, as Erika Kirk quoted from her husband while speaking before the seal of the U.S. President, to go to church the coming two Sundays? These are the only two Sundays between the memorial and the time that Comet K1 marks for the Midnight Cry, as Brother Gerhard explained in a [recent video](#). Should we not rather stand for the Sabbath of the Lord, and not merely choose to rest “one day in seven” while still showing our loyalty to Rome by worshiping on Sunday? Now is a time to be decisive, but decide to honor the temple of the Holy Spirit, submitting to His order in relationships, and assemble for worship on the day the Lord blessed at Creation for communion with the divine. Then we mark our souls with the seal of God.

As Trump, the man of sin, placed himself as the head that totally eclipsed the sun in 2024, so now, this revival under his leadership is as a partial eclipse of Christ, the Bridegroom sun, as described in Psalm 19. Soon, the wheat and the tares will become distinct as the fruit of this state-sponsored religious revival is seen. May the true harvest of God come together for a genuine revival of godliness through repentance and spiritual discernment that produces the fruit of Christ’s righteousness in our lives.

While Trump touts a bright future ahead, trumpeting His great plans for the future of America and of the world during the United Nations General Assembly, God’s clock in the heavens indicates that the end of all things is imminent. May His children go out in the power of the Holy Spirit to give the midnight cry proclaiming the coming of the Bridegroom and the crumbling of the walls of Babylon.

## "Charlie Sent Me": Thousands Return To Church After Kirk's Death

The shocking assassination of Charlie Kirk at Utah University has done more than rattle a nation-it has jolted thousands awake. Suddenly, questions of eternity, purpose, and truth are not just whispered-they're shouted. And this Sunday, America saw something few expected: revival.

# Which Awakening Is This?

Across the country, churches overflowed. Sanctuaries were bursting, parking lots jammed, pastors left astonished as people poured in. While no one can yet count how many new faces walked through those doors, social media painted a vivid picture: it was thousands. And they weren't there out of curiosity alone. They came for something deeper. They came to honor Charlie Kirk in the best way possible-by turning their hearts toward the God Charlie proclaimed.

What a legacy. Even in death, Charlie has accomplished what he prayed for in life: a generation shaken free from apathy, searching for hope, and daring to believe again in the God who changes lives.

# The Ten Commandments

according to the Holy Bible (Exodus 20:1-17)

1. I am the LORD thy God, which have brought thee out of the land of Egypt, out of the house of bondage. Thou shalt have no other gods before me.

2. Thou shalt not make unto thee any graven image, or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth: Thou shalt not bow down thyself to them, nor serve them: for I the LORD thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me; And shewing mercy unto thousands of them that love me, and keep my commandments.

3. Thou shalt not take the name of the LORD thy God in vain; for the LORD will not hold him guiltless that taketh his name in vain.

4. Remember the sabbath day, to keep it holy. Six days shalt thou labour, and do all thy work: But the seventh day is the sabbath of the LORD thy God: in it thou shalt not do any work, thou, nor thy son, nor thy daughter, thy manservant, nor thy maidservant, nor thy cattle, nor thy stranger that is within thy gates: For in six days the LORD made heaven and earth, the sea, and all that in them is, and rested the seventh day: wherefore the LORD blessed the sabbath day, and hallowed it.

5. Honour thy father and thy mother: that thy days may be long upon the land which the LORD thy God giveth thee.

6. Thou shalt not kill.

7. Thou shalt not commit adultery.

8. Thou shalt not steal.

9. Thou shalt not bear false witness against thy neighbour.

10. Thou shalt not covet thy neighbour's house, thou shalt not covet thy neighbour's wife, nor his manservant, nor his maidservant, nor his ox, nor his ass, nor any thing that is thy neighbour's.

!! At the United Nations, President **Trump**:

- Called for protections for Christians
- Eviscerated the **UN** for funding mass migration into the US and western countries
- Said Europe must stop adopting Sharia Law
- Harshly criticized globalism
- Slammed the **UN** for its climate alarmism
- Scorched countries for funding Russia's war
- Promoted fossil fuels
- Urged countries stop falling for the "Green Scam"
- Said the UN doesn't back up its words with any meaningful action on issues that matter
- Preached American exceptionalism and said none of their countries come close
- Demanded an end to biological weapons
- Concluded by urging UN members to protect their national identities by clamping down on mass migration and serving their people

And of course, clowned the UN for its escalator breaking in the lobby and the teleprompter not working.

@realDonaldTrump

A REAL DISGRACE took place at the United Nations yesterday — Not one, not two, but three very sinister events! First, the escalator going up to the Main Speaking Floor came to a screeching halt. It stopped on a dime. It's amazing that Melania and I didn't fall forward onto the sharp edges of these steel steps, face first. It was only that we were each holding the handrail tightly or, it would have been a disaster. This was absolutely sabotage, as noted by a day's earlier "post" in The London Times that said UN workers "joked about turning off an escalator." The people that did it should be arrested! Then, as I stood before a Television crowd of millions of people all over the World, and important Leaders in the Hall, my teleprompter didn't work. It was stone cold dark. I immediately thought to myself, "Wow, first the escalator event, and now a bad teleprompter. What kind of a place is this?" I then proceeded to make a Speech without a teleprompter, which kicked in about 15 minutes later. The good news is the Speech has gotten fantastic reviews. Maybe they appreciated the fact that very few people could have done what I did. And third, after making the Speech, I was told that the sound was completely off in the Auditorium where the Speech was made, that World Leaders, unless they used the interpreters' earpieces, couldn't hear a thing. The first person I saw at the conclusion of the Speech was Melania, who was sitting right up front. I said, "How did I do?" And she said, "I couldn't hear a word you said." This wasn't a coincidence, this was triple sabotage at the UN. They ought to be ashamed of themselves. I'm sending a copy of this letter to the Secretary General, and I demand an immediate investigation. No wonder the United Nations hasn't been able to do the job that they were put in existence to do. All security tapes at the escalator should be saved, especially the emergency stop button. The Secret Service is involved. Thank you for your attention to this matter!

After getting to know and fully understand the Ukraine/Russia Military and Economic situation and, after seeing the Economic trouble it is causing Russia, I think Ukraine, with the support of the European Union, is in a position to fight and WIN all of Ukraine back in its original form. With time, patience, and the financial support of Europe and, in particular, NATO, the original Borders from where this War started, is very much an option. Why not? Russia has been fighting aimlessly for three and a half years a War that should have taken a Real Military Power less than a week to win. This is not distinguishing Russia. In fact, it is very much making them look like "a paper tiger." When the people living in Moscow, and all of the Great Cities, Towns, and Districts all throughout Russia, find out what is really going on with this War, the fact that it's almost impossible for them to get Gasoline through the long lines that are being formed, and all of the other things that are taking place in their War Economy, where most of their money is being spent on fighting Ukraine, which has Great Spirit, and only getting better, Ukraine would be able to take back their Country in its original form and, who knows, maybe even go further than that! Putin and Russia are in BIG Economic trouble, and this is the time for Ukraine to act. In any event, I wish both Countries well. We will continue to supply weapons to NATO for NATO to do what they want with them. Good luck to all!

[The War Everyone Fears](#) was posted for study on **February 21, 2022**. It presents a dream that unlocks the meaning of Russia's attack on Ukraine in spiritual terms and revisits another dream from 2019 that foretold the coming of Jesus in symbols that are now confirmed in the heavens. Among the symbols in the dream were a tiger, a bear, a black sheep, and an ostrich, which represent specific nations today.

These shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him are called, and chosen, and faithful. (Revelation 17:14)

From 12/21 Rev 16:21

And the angel thrust in his sickle into the earth, and gathered the vine of the earth, and cast it into the great winepress of the wrath of God. (Revelation 14:19)

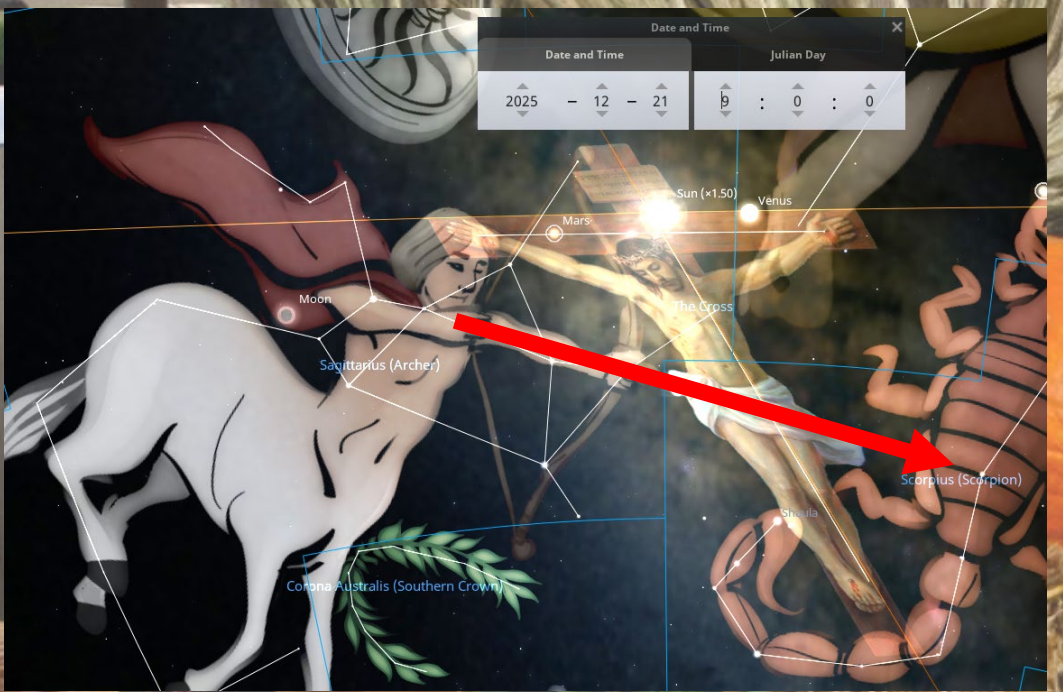

And the winepress was trodden without the city, and blood came out of the winepress, even unto the horse bridles, by the space of a thousand and six hundred furlongs. (Revelation 14:20)

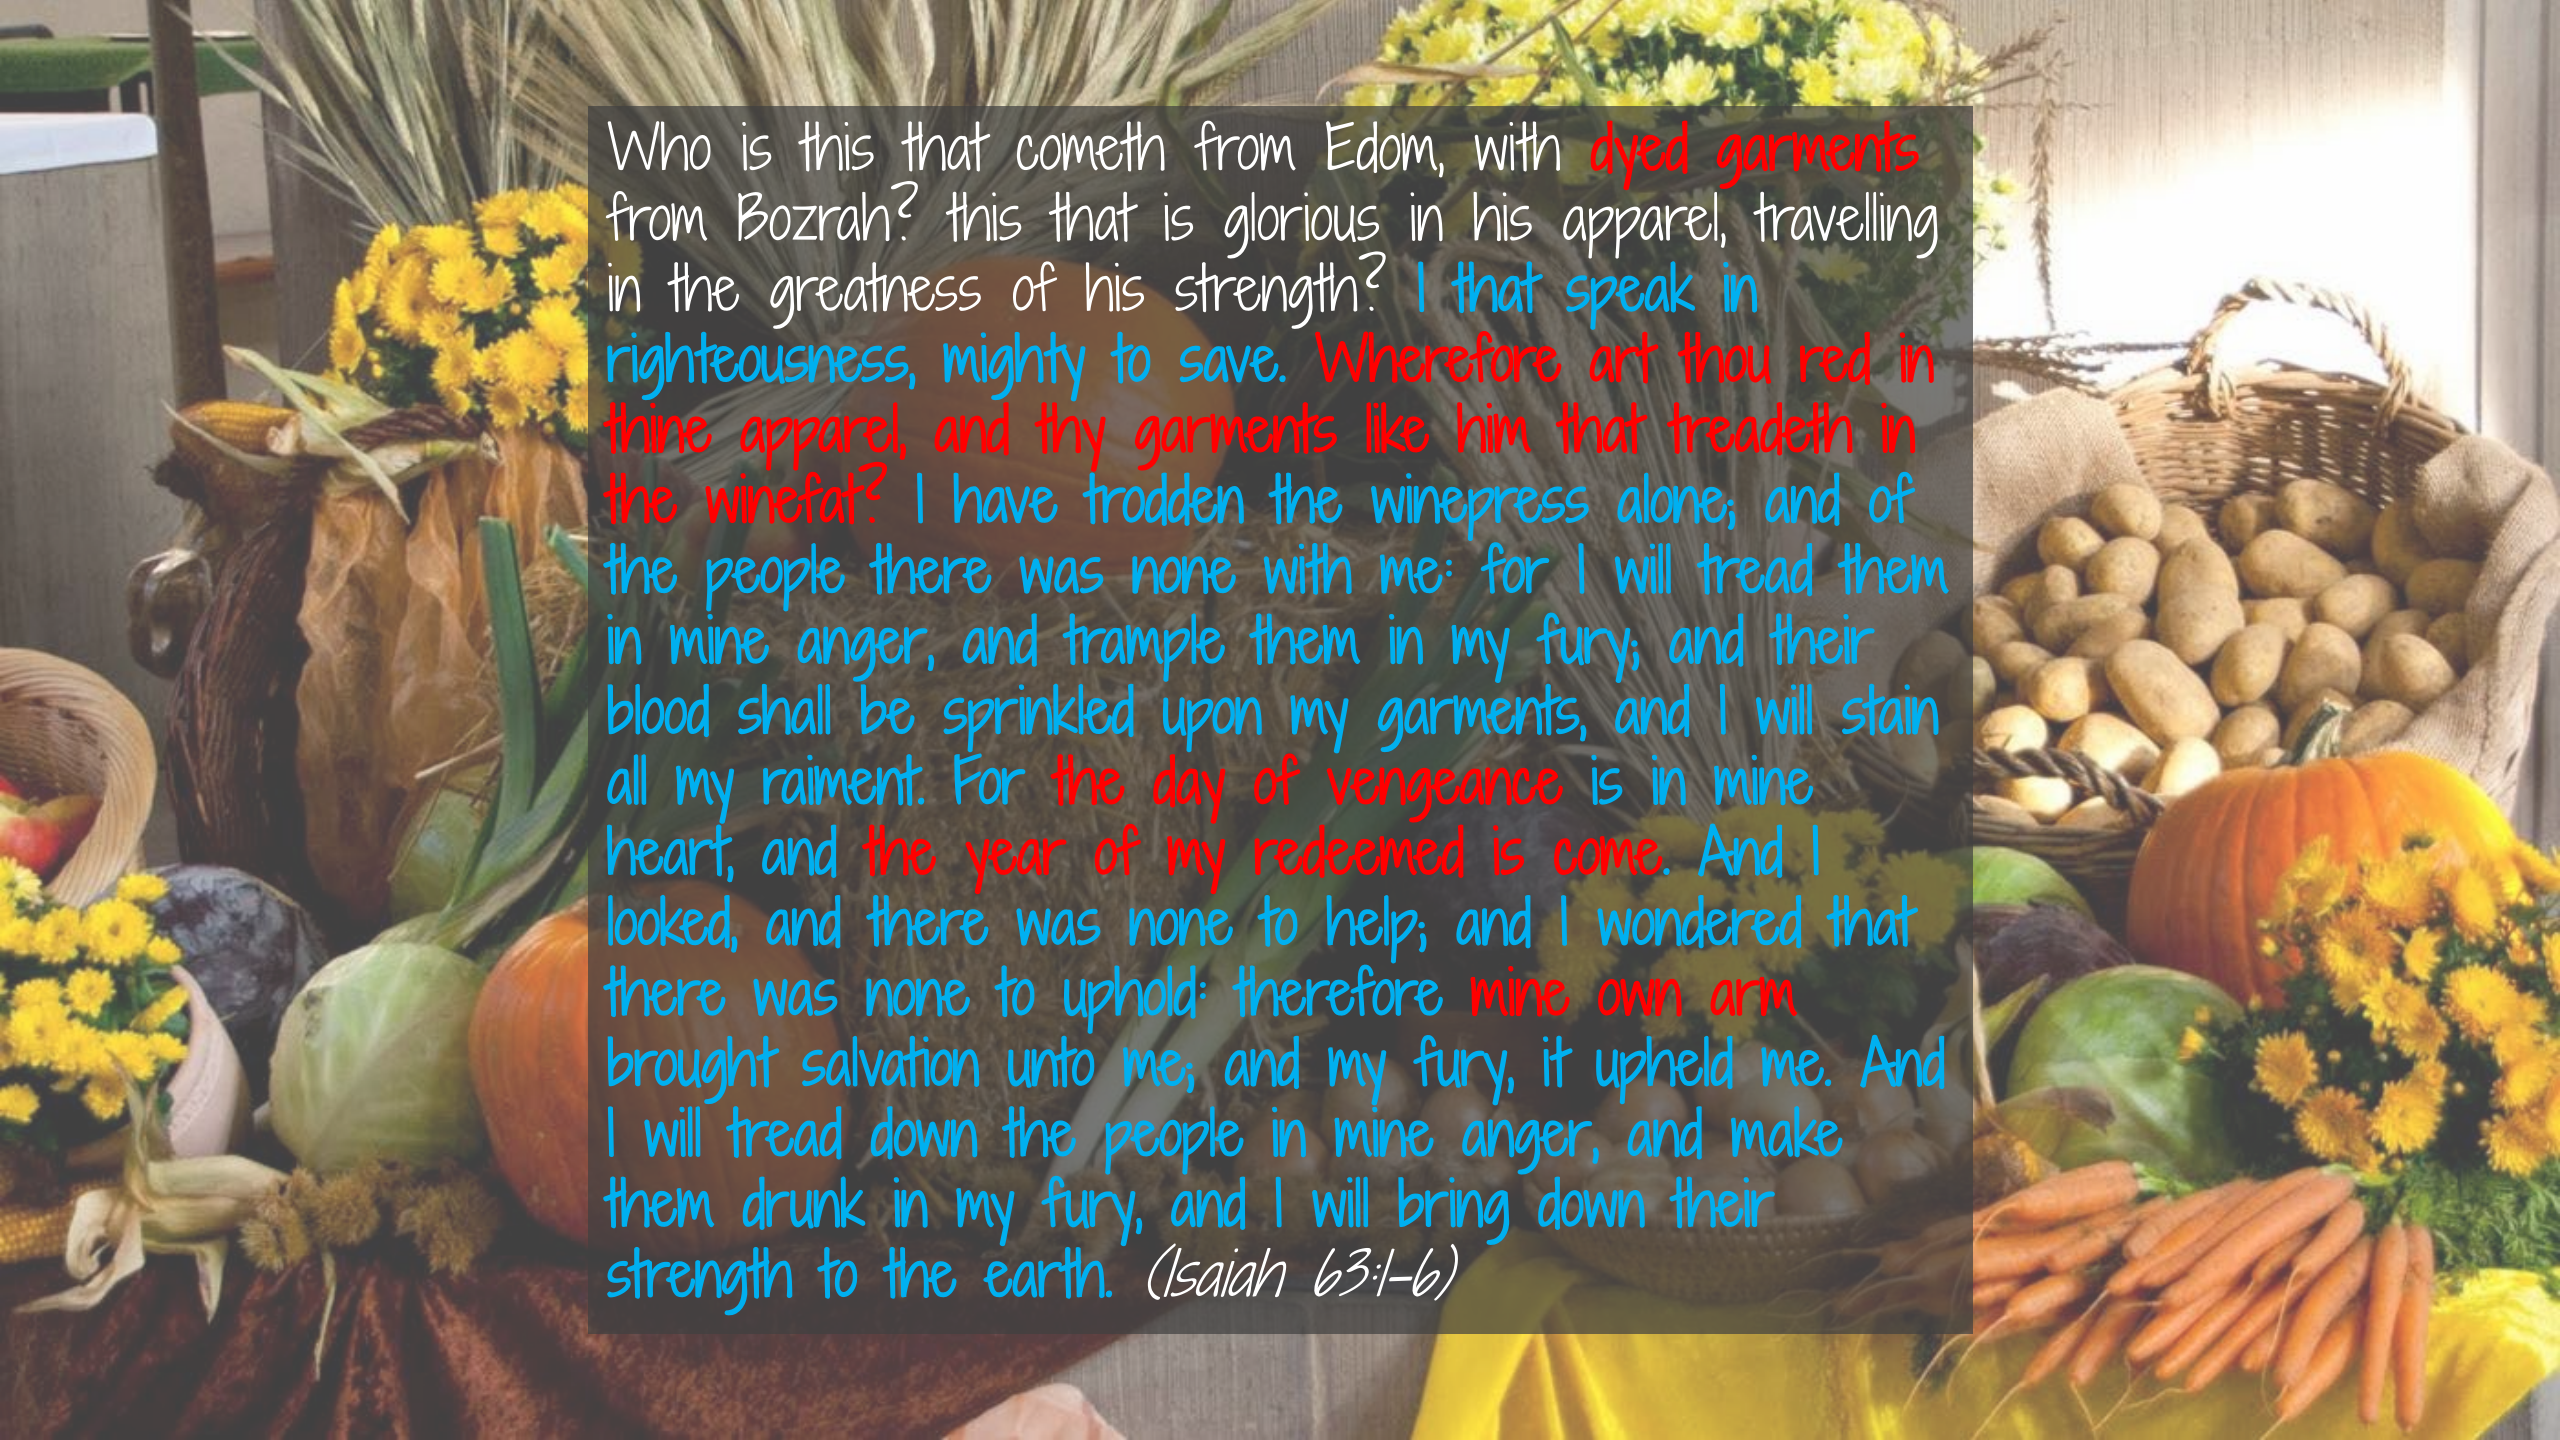

“Beginning of the Feast of Dedication, “Hanukkah.”

And out of his mouth goeth a sharp sword, that with it he should smite the nations: and he shall rule them with a rod of iron: and he treadeth the winepress of the fierceness and wrath of Almighty God. (Revelation 19:15)

A still life arrangement of autumn harvest items. In the foreground, there are several pumpkins, a bunch of carrots, and a basket of yellow chrysanthemums. In the background, a wicker basket is filled with potatoes. The scene is set against a backdrop of dried grasses and other autumnal decorations.

Who is this that cometh from Edom, with **dyed garments** from Bozrah? this that is glorious in his apparel, travelling in the greatness of his strength? **I that speak in righteousness, mighty to save.** **Wherefore art thou red in thine apparel, and thy garments like him that treadeth in the winefat?** I have trodden the winepress alone; and of the people there was none with me: for I will tread them in mine anger, and trample them in my fury; and their blood shall be sprinkled upon my garments, and I will stain all my raiment. **For the day of vengeance is in mine heart, and the year of my redeemed is come.** And I looked, and there was none to help; and I wondered that there was none to uphold: therefore **mine own arm** brought salvation unto me; and my fury, it upheld me. And I will tread down the people in mine anger, and make them drunk in my fury, and I will bring down their strength to the earth. *(Isaiah 63:1-6)*
