The Finished Mystery

🗨️ The Four Winds Have Been Loosened – And the Scroll Is Closing 📖

“Yet once more I shake not the earth only, but also heaven.” – Hebrews 12:26

This concluding video series unveils the final fulfillment of the mystery of God spoken of in Revelation 10 – a mystery that is now finished as the seventh angel begins to sound.

Since our last publications in late May 2025, heaven has made known even more of its message – through Scripture, prophecy, and the stars. The signs are clear. The final trumpet events are no longer future shadows – they are unfolding before our eyes.

In this series, we will reveal:

- The third interstellar object has entered our solar system. All three cosmic visitors bear prophetic weight and correspond with Revelation’s final warnings. These are not random phenomena – they are part of heaven’s final call.
- The sixth trumpet’s appointed time – the prophesied hour, day, month, and year – has already passed. What remains of its message is now seen in the heavens above, declaring the nearness of the final trumpet.
- For the first time, we now understand where, when, and how the seventh trumpet will fulfill – through the testimony of Scripture and the great canvas of biblical astronomy.
- We will also reveal how the two witnesses have already ascended to heaven, who their earthly counterparts were, and how their entire prophetic journey – from testimony to exaltation – was written both in the Bible and in the stars.
- And now, Michael has stood up. Heaven’s intercession has ceased. As foretold in Daniel 12:1, the great time of trouble such as never was is beginning. The shaking is here – and no delay remains.
- Many other sealed mysteries will be opened – as always, decoded through the light of biblical prophecy and astronomy, for the voice of God still echoes from the heavens.

The four winds have been released.

The scroll is closing.

The trumpet is sounding.

The door is almost shut.

Babylon is weighed and found wanting. 🏰

The Bridegroom Cometh! - Part 2

Published: 02/06/2026

The Midnight Cry can only be given by one who has looked up and recognized that the Bridegroom is coming. That testimony can only be given in truth when God's mystery of time in Revelation is unlocked and understood using the key of biblical astronomy, which God has progressively revealed through study over the last 16 years. In this video, you will hear the final testimony of Philadelphia--the testimony of time. But their witness is not independent of the multitudes who have given and still will give their testimony with their blood before the church reaches the fullness of the reformation that God sent Elijah to complete. The heavenly story of the two witnesses tells the story of these two churches, and points to the date of the Revelation of Jesus Christ. May their testimony be your own at last.

The Closing of the Scroll

Published: 12/12/2025

The book of Revelation describes a scroll that is sealed with seven seals. As the first seals are opened, a symbolic horseman rides in the earth. Most recognize that the seals continue until the Lord’s return, but do you understand God’s blueprint that determines how the seals operate, when they are active, and when they are not? Do you recognize how the signs must fulfill to fit with that blueprint? In this video, you will find treasures, new and old. Newcomers will learn a little-known secret about how the seals open—and close—in time. Those familiar with our message will understand how the signs of the sixth seal, as seen in the heavens, show exactly where we are in prophetic history. By the end of this video, you will see that without dispute, history is quickly ending, because deciphering Revelation with biblical astronomy departs as the scroll is closed.

The Bride Makes Herself Ready

Published: 10/23/2025

As the greater light of heaven approaches the cross at the galactic equator and Trump is attempting to extinguish Babylon's wars, the blood of countless saints resting in their graves testifies of the wrath that awaits her. Meanwhile, the lesser light also plays an important role in these final events. In this strikingly straight-forward study of Scripture, you will see how God uses the heavenly symbols in ways few would imagine. The bride of Christ is making herself ready, and God has promised that she shall be clothed in pure, spotless linen. The biblical insight in this video will forever change your perspective regarding the rhetorical question God asked Job: "Hast thou entered into the treasures of the snow? Hast thou seen the treasures of the hail, Which I have reserved against the time of trouble, against the day of battle and war?"

The Harvest at the End of Time

Published: 09/29/2025

This video uncovers the solemn harvest imagery of Scripture—the wheat and the tares, the grapes destined for the winepress—in the urgent context of the first hour of Babylon's fall, which began with the Charlie Kirk memorial revival. As we watch escalating world events—shootings, false revivals, threats of war—we are reminded that not every "awakening" is true. This is a sober call to discern the time, test every movement against God's Word, and respond to heaven's invitation to join the authentic spiritual revival that lifts our eyes upward to Christ before the coming judgment. May God's people awaken and share the message of hope during this perilous time.

2I/Borisov - Herald of the Coronavirus Crisis

Published: 10/06/2025

The greatest global crisis in modern history was arguably the coronavirus pandemic, also known as Covid-19. Did you know that God gave a dramatic warning of that event? Not only is it detailed in the Bible, but a heavenly visitor from another solar system told the story just in time. The silent interstellar visitor, 2I/Borisov, testified of the eternal implications of genetic technology in concert with the Word of God, and the account of that testimony is presented in this video, as well as the one who made himself king over the operation. Only three interstellar objects have ever been found in our solar system, and they tell the biblical story of the woes. If you escaped the first woe, do not allow God's last warning to mankind in 3I/ATLAS to fly through our solar system without giving heed to the second woe! The mystery of God is finished. The seventh angel is to sound. The two witnesses have ascended to heaven.

“The door was shut.”

Yet as Ellen G. White wrote:

“The door was closed for those who would not enter; yet it remained open for those who had not heard the message and who were being drawn in the very last moments.” (Early Writings, p. 279)

We are now in those last moments.

The trumpet is sounding.

The witnesses have testified.

The heavens confirm the message.

The door of grace is almost closed — but not yet.

If you can still hear the voice from heaven, Enter now, while the light of the fourth angel still shines brightly. ✨

The Dark Mystery of the Last Pope

☠ The Pope Has Died - Three Frogs Step Out of the Shadow

The Bible warned us that before the end could come, the "man of sin" must be revealed (2 Thessalonians 2:3). Now, biblical prophecy, heavenly signs, and faithful observation have converged. This video series documents step by step how God revealed the coming death of Pope Francis, the emergence of the final pope, the identity of the man of sin, and at last the identity of the dragon—these are the three unclean spirits like frogs who will lead the final rebellion against Christ. The time is nearly over—prepare to meet your God!

1. Whom Do You Elect? — In this first video, we revealed how the prophecy of Revelation 17 points to the sequence of seven and eight kings, culminating in one final pope after Pope Francis. We showed how this transition would occur during the fifth bowl of wrath described in Revelation 16—a time of thick darkness over the seat of the beast in 2025. Even before Pope Francis' death, it was prophesied that a last pope would rise immediately after him, ushering in the final showdown between Christ and the powers of the world.

2. We Prophesied the Time of Pope Francis' Death — In this follow-up video, we reveal the missing prophetic connection: how the timeline of the fifth bowl of wrath enabled us to pinpoint the exact time of Pope Francis' death months in advance. Through the interpretation of heavenly signs and Scripture, we were able to declare beforehand the precise moment when the seat of the beast would be vacated—fulfilling Revelation 16 and 17 before our very eyes.

3. We Reveal Peter the Roman — In the important third video, we present our view of who might win the upcoming conclave and take the papal throne. More than just a successor, this man will stand at the forefront of the global rebellion against Christ. This final conclave will mark a dire warning to the world before the great and terrible Day of the Lord.

4. The Last Act of the Drama — In this most urgent message, the true man of sin is unmasked—not a figure of the past, but a living deceiver who now leads millions of Protestants down the path of destruction. This video reveals who he truly is, how he operates in darkness with flattery, betrayal, and false unity, and how his actions fulfill the second woe of the sixth trumpet foretold in Revelation—when a third part of humanity is killed. But this was not improvised. We expose a satanic blueprint crafted 17 years ago, hidden in plain sight—a secret message from the enemy of souls to his followers, outlining the final assault against the Lamb and His people.

5. Who Is the Dragon? — Our concluding video, released on the anniversary of the High Sabbath when Jesus Christ was resting in the tomb, on May 26, unveils the 'dragon' who operates behind the scenes but in plain sight. He is the true serpent bearer and has the strings in his hand. He instigates the nations to persecute the seed of the remnant of the woman. Yet, he will be bound for a thousand years, while the beast and the false prophet—who deceived those who received the mark and worshipped the image—are cast alive into the lake of fire burning with brimstone.

Everything has come full circle. This is the last testimony of the Two Witnesses. The final warning. Before Time is no longer.

Who is the Dragon?

Published: 05/26/2025

In this brief video update on the Last Act in the Drama, we uncover the identity of the dragon who speaks during the sixth vial of Revelation. While the beast and the false prophet have been clearly recognized in recent world events, the third voice—of the dragon—has remained shrouded in mystery. Yet considering the dragon in Scripture reveals some characteristics that, together with recent events, identifies the dragon. His influence is shaping global agendas while remaining low-key to the public's eye. Join us to discover who fulfills this role in the final moments of earth's history and what it means for the battle of Armageddon that lies just ahead.

We Prophesied the Time of Pope Francis' Death

Published: 04/26/2025

The seat of the Vatican is now empty. In late July, 2024, there was no serious indication that Francis would be replaced before the end shown on God’s clock: June 2025. Nevertheless, watching the heavens opened our eyes to the meaning of the prophecy of the kings in Revelation 17 as it applies to modern times. The papacy has historically had a political and a religious component, and this prophecy addresses both separately. With that understanding, it prophesied a final pope following Francis, who would rule through a time of great trouble. In this video, we present that revelation and how Pope Francis’ death happened at the time indicated by biblical prophecy. Look up and discern that the end is here, and Jesus is coming now rather than later!

The Sign of the Seven Last Plagues

Published: 11/29/2024

The Great and Marvelous Sign lives up to its name as the culmination of the Great sign of the woman of Revelation 12. Jupiter, having come from the womb of Virgo, finally reaches the hand of Orion, where Jesus is depicted as a King with His scepter of righteous judgment. As it does, the bowls of wrath can be seen being filled up in the months before December 15, 2024, when the outpouring of wrath commences with "fire, smoke, and brimstone." Meanwhile, the plagues of Babylon's evils are timed by the members of the solar system striking Orion's outstretched hand. For these plagues, God's wrath is given to Babylon all in one day as a double reward with the outpouring of the seventh bowl of wrath shortly after Jesus takes away the redeemed from the earth.

The Sign of the Seven Last Plagues

Published: 11/29/2024

The Great and Marvelous Sign lives up to its name as the culmination of the Great sign of the woman of Revelation 12. Jupiter, having come from the womb of Virgo, finally reaches the hand of Orion, where Jesus is depicted as a King with His scepter of righteous judgment. As it does, the bowls of wrath can be seen being filled up in the months before December 15, 2024, when the outpouring of wrath commences with "fire, smoke, and brimstone." Meanwhile, the plagues of Babylon's evils are timed by the members of the solar system striking Orion's outstretched hand. For these plagues, God's wrath is given to Babylon all in one day as a double reward with the outpouring of the seventh bowl of wrath shortly after Jesus takes away the redeemed from the earth.

The Great Orion Cycle and the 70th Jubilee - Part 1

The Two Witnesses, Made Simple

In this video, which is part 1 of our study of the two witnesses, we learn that these two prophets have not only been seen, but have already been prophesying for years. Have you recognized them? Have you heard their voice? Their prophetic timeframe highlights the underlying theme of their message, but certain events needed to transpire before it could be understood. Now, based on prior studies of the sign of the Son of man, we look in hindsight and see clearly what the two witnesses have been preaching about, trying to stir the world to repent before they irreparably destroy God's creation. We Prophesied the Time of Pope Francis' Death

Published: 04/26/2025

The seat of the Vatican is now empty. In late July, 2024, there was no serious indication that Francis would be replaced before the end shown on God's clock: June 2025. Nevertheless, watching the heavens opened our eyes to the meaning of the prophecy of the kings in Revelation 17 as it applies to modern times. The papacy has historically had a political and a religious component, and this prophecy addresses both separately. With that understanding, it prophesied a final pope following Francis, who would rule through a time of great trouble. In this video, we present that revelation and how Pope Francis' death happened at the time indicated by biblical prophecy. Look up and discern that the end is here, and Jesus is coming now rather than later!

The Sign of the Seven Last Plagues

Published: 11/29/2024

The Great and Marvelous Sign lives up to its name as the culmination of the Great sign of the woman of Revelation 12. Jupiter, having come from the womb of Virgo, finally reaches the hand of Orion, where Jesus is depicted as a King with His scepter of righteous judgment. As it does, the bowls of wrath can be seen being filled up in the months before December 15, 2024, when the outpouring of wrath commences with “fire, smoke, and brimstone.” Meanwhile, the plagues of Babylon’s evils are timed by the members of the solar system striking Orion’s outstretched hand. For these plagues, God’s wrath is given to Babylon all in one day as a double reward with the outpouring of the seventh bowl of wrath shortly after Jesus takes away the redeemed from the earth.

God's Instruction for Protesters Today

After the shocking scenes of the US Capitol being stormed on January 6, 2021, those who believe in God need a clear sense of direction based on His Word. We, High Sabbath Adventists, do not condone acts of violence but exhort all people to receive the wisdom of God and follow His law, choosing to sacrifice and deny self, according to the example of Jesus. The gospel is non-violent at its heart; the world was not saved by violence, but by One who willingly chose to suffer unjust mob violence against Himself rather than let the world perish in sin. Seal Up the Seven Thunders

Published: 12/31/2025

What should a Christian do in time of spiritual emergency? The church has come to just such a crisis that without intervention would lead to the sad result that no flesh would survive. Jesus said that the great tribulation would be shortened, but by how much, and by what means? These questions and more are answered in this important and profound video. Find out how with God, not only are all things possible, but He desires His people to ask Him hard things, and when motivated by His own sacrificial character, He will certainly grant the request. God's heart of mercy is touched. Prepare for the last rapid movements.

The mark of the beast test is on the horizon, and the final events are happening faster than many are prepared for. An overwhelming surprise is about to shake the world violently, because the enemy has worked discretely in the background where few are watching. But for those who look up to the Lord's clocks, He has given a sure testimony as to the nature of the mark of the beast and the subtle workings of the enemy. Now we give you the urgent warning, because Jesus' return is not just on the horizon, it is here! His testimony of time revealed by deciphering Revelation with Biblical astronomy grants the power to give the midnight cry: Behold the Bridegroom cometh! Go ye out to meet Him!

The Bridegroom Cometh! - Part 2

Published: **02/06/2026**

The Midnight Cry can only be given by one who has looked up and recognized that the Bridegroom is coming. That testimony can only be given in truth when God's mystery of time in Revelation is unlocked and understood using the key of biblical astronomy, which God has progressively revealed through study over the last 16 years. In this video, you will hear the final testimony of Philadelphia--the testimony of time. But their witness is not independent of the multitudes who have given and still will give their testimony with their blood before the church reaches the fullness of the reformation that God sent Elijah to complete. The heavenly story of the two witnesses tells the story of these two churches, and points to the date of the Revelation of Jesus Christ. May their testimony be your own at last.

The ministry of salvation that God the Father and Jesus undertook to rescue humanity from the mire of sin is clearly revealed in the sign of the Son of Man—displayed for all to behold. The sanctuary services given to Israel pointed to Jesus as the Lamb of God who takes away the sin of the world. God does not wish for anyone to perish, but for all to come to the knowledge of Christ and repent. Mercy will linger only a little longer. Seek Him while He may still be found.
